**SENSITIVE MASCARA**

Black

Black-Brown

Navy

Gentle, fragrance-free, non-irritating. Suitable for contact lens wearers. Creates natural-looking lashes. Water-soluble formula removes easily.

**XLXL MASCARA**

Maximize lashes with this advanced formula that imparts extreme volume, separation, length, lift and defined lashes. Vitamin rich formula adheres to each lash from base to tip for superior volume and performance for all day wear.

Rejuvenate (peach) – helps mature skin look more youthful

Brightening (lilac) – helps correct dullness & enlivens the complexion

Neutralizing (mint) – helps correct and balance redness

## **CORRECT & BLUR FACE PRIMERS**

Correct and perfect skin to create the perfect canvas and prep skin for makeup. These three advanced skin primers are formulated with micro-encapsulated pigments burst on application to help neutralize and counteract skin concerns. Developed to address skin tone imperfections while helping foundation last longer throughout the day. May be worn as a primer, or alone to correct and blur skin imperfections.

FAIR LIGHT MEDIUM MED. DEEP

**BRIGHTENING CC CRÈME**

A lightweight, oil-free, color correcting cream with broad spectrum sun protection. Micro-encapsulated pigments adapt to individual skin tones; skin nourishing and brightening ingredients help even tone, diminish imperfections and maintain a healthy, youthful complexion. Great when you want just a little coverage--especially in the summer months!
